Hefei Telijie Sanitary Material Co., Ltd.

Hefei Telijie Sanitary Materials Co., Ltd. was established in 2002, with an independent industrial park and a modern factory building of 46000 m², including a 100000 level purification workshop of 2000 m², one 10000 level purification laboratory, and one modern R&D center.

Telijie has been successively rated as a national high-tech enterprise in Anhui Province, a non-woven fabric engineering technology research center, and a private technology enterprise since establishment. The independently developed scrim reinforced paper towel has obtained a total of 118 invention patents.

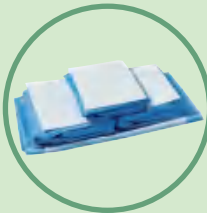

As a professional manufacturer of disposable medical and hygiene products with over 20 years of export experience. We adhere to market and international standards in management and has obtained certifications such as ISO9001, ISO14001, ISO18000, ISO13485, CE, etc. Telijie will lead its development with innovative ideas and continue to provide reliable products and professional services to the global market.
